Student Athlete Contract Program

Representing **Theodore Roosevelt School (TRS)** in any athletic or extracurricular program is a **privilege, not a right**. Participation in these programs is earned through consistent academic performance, respectful behavior, and positive choices both in and out of school.

As a student-athlete, I understand that I am a representative of my school, my family, and my community. I agree to the following terms in order to maintain eligibility for participation in TRS athletics and extracurricular activities:

1. Academic Requirements

- I understand that my first priority at TRS is to receive a quality education.
- I will maintain a grade of **C or better in all classes**.
- If my grade in any class falls below a **D**, I understand I will not be allowed to **practice or play** until I improve my grade.
- I must **attend school on time**. If I am absent or late the day of or the day before an event, I will be ineligible to participate.
- I may request to miss practice or events for academic support, and I am encouraged to do so when necessary.

2. Behavior & Conduct

I agree to behave with respect, integrity, and responsibility at all times. I understand I may be suspended or removed from the team or program if I engage in the following, on or off campus:

- Use or possession of alcohol, illegal drugs, or controlled substances
- Use or possession of tobacco products (disqualification for the season)
- Bullying, harassment, verbal abuse, or physical assault
- Theft or property damage

3. Team Expectations

I will follow all rules set by my coach and school leadership. In addition:

- I will have a **current sports physical** on file before tryouts or participation.
- I will demonstrate **good sportsmanship** at all times.
- I will not use profanity, vulgar gestures, or inappropriate language.
- I will follow all school policies and staff instructions.
- I will be **on time** and prepared for practices and games.
- I will return all equipment and uniforms on time, or I will be responsible for their replacement cost.

4. Extracurricular Participation is a Privilege

I understand that athletics and other extracurricular activities are a **privilege** extended to students who maintain academic and behavioral standards.

- Participation can be **revoked at any time** at the discretion of the coach or school administration based on behavior, grades, attendance, or violations of this contract.

5. Parent/Guardian Conduct

Parents and guardians are expected to act respectfully and appropriately at all school-sponsored extracurricular events.

- Disrespectful, disruptive, or aggressive behavior towards players, coaches, referees, school staff, or other spectators will not be tolerated.
- **Any parent or guardian who fails to uphold proper conduct may be banned** from attending school athletic events or extracurricular activities, temporarily or permanently, at the discretion of school administration.

I have read and understand the Student Athlete Contract. I agree to follow all terms and conditions to remain eligible for participation.
